

# Revolution 100 & Adaptable Wall

## Product Data Sheet

PurOptima®

## Product facts

- High acoustic mullion-free glazed or solid partition system. Panel options include fabric and FSC™ wood
- Can be single or double glazed
- Dry jointed and fully demountable
- High-quality, low-carbon aluminum framework
- Numerous door options including 100mm (3.93") thick Elite Series
- Manufactured at PurOptima's UK factory and fabricated in North America

## Acoustics

- Maximum tested acoustic rating of STC 53 double glazed using 2 x 12.8mm (0.5") acoustic laminated glass or Magnetic glass and Fabric wrap MDF

## Deflection

- Can accommodate up to  $\pm 40\text{mm}$  (1.57") deflection
